New Student Orientation

Incorporate Green Dot, active bystander behaviors, violence prevention messaging and victim resources into:

- ▶ New student orientation and welcome
- ▶ Welcome e-mails and advisement
- ▶ Orientation and key events
- ▶ Faculty and staff training and development, including Green Dot Orientation for all employees

Reactive Green Dots for Student Affairs Professionals

Know your campus and local service providers!

- ▶ Undergraduate health services available on campus, and faculty and staff who can help build a network of campus and local health services that can be easily accessed.
