

**OLD DOMINION UNIVERSITY  
BOARD OF VISITORS  
Tuesday, September 14, 2021**

**MINUTES**

The Board of Visitors of Old Dominion University met in regular session on Tuesday, September 14, 2021, at 2:30 p.m. in the Kate and John R. Broderick Dining Commons on the Norfolk campus. Present from the Board:

**WHEREAS**, under Kay's leadership, the Board created a new Governance Committee to provide oversight of functions relating to board governance and conduct of business, including Bylaws and policy review, self-assessment, development of qualifications and competencies for members, and planning the Board's annual retreat; and

**WHEREAS**, Kay worked tirelessly behind the scenes with her fellow Board members on important issues facing the University, understanding the importance of collaboration and collegiality among individual Board members; and

**WHEREAS**, the Board of Visitors wishes to recognize Kay for her tremendous leadership during her term as Rector of the Board.

**THEREFORE, BE IT RESOLVED**, that the Board of Visitors of Old Dominion University expresses its gratitude to Kay A. Kemper for her leadership as Rector of Old Dominion University.

**BE IT FURTHER RESOLVED**, that the Board looks forward to working with Kay during the remainder of her term on the Board of Visitors.

-----

Ms. Kemper expressed her appreciation to the Rector and Board for their support during her term as Rector and said she looks forward to continuing her work with the Board.

The Rector provided an update on the Board's operating budgets. \$2,260 from the Board's E&G budget of \$7,651 has been spent to date, leaving a balance of \$5,391. \$878 from the Board's \$2,350 discretionary budget has been spent to date, leaving a balance of \$1,472.

The Rector announced that Ron Ripley has stepped down as the Board's representative to the OVN Board and Murry Pitts will take his place. A report from Mr. Pitts on the activities of the OVN Board will be included on the Board agenda at future meetings.

The Rector applauded President Hemphill on the success of the Monarch Nation Tour. He attended the Virginia Beach and Norfolk events and said that President Hemphill knocked it out of the ballpark. Dr. Dabney also commented on the phenomenal event in Richmond and added it had the second highest attendance.

The Rector reminded the Board of the retreat the following day, noting that the dress is casual. He asked that they read the book that will be discussed if they haven't already done so.

**PRESIDENT'S REPORT**

In his report to the Board, President Hemphill noted that it is both an honor and privilege to serve as the ninth president of Old Dominion University and have the opportunity to provide an in-depth update on our collective work and shared success since the beginning of both the fiscal year and academic year.

Monarch Nation Tour – From August 9-14, 2021, a dedicated group of Monarchs traveled the Commonwealth of Virginia with seven stops in six days. In total, over 1,000 alumni and friends attended events in Roanoke, Charlottesville, Vienna, Alexandria, Richmond, Virginia Beach, and Norfolk. At each stop, we celebrated the engagement and contribution of very special individuals with the award of the Monarch Spirit Award as follows:

- Donna Fisher '74 and Daniel Fisher '72;
- James Cheng '82
- Joe Carter, Jr. '86
- Timothy O'Donohue '76;
- Charles Catlett III '70;
- Kim Curtis ;82; and
- Barry Bishop '74.

This was a special series of events in which we witnessed first-hand the excitement and passion Monarch alumni have for their beloved *alma mater*. We also learned that in certain geographic areas there is a strong desire to have a more formal network established for future engagement and continuous support.

Six-Year Plan Presentation – On August 23, 2021, the University's Six-Year Plan was presented to state 27.11e

significant area of focus for our institution. Next steps include a national search for the inaugural dean of the School of Public health as our institution needs a champion for this on-going effort.

Forthcoming Departure and National Search in Administration and Finance – I would be remiss if I did not acknowledge the skillful leadership and many contributions of Vice President for Administration and Finance Greg DuBois. Greg has worn many hats at ODU since his arrival four years ago. And, for throughout his tenure, he has been a driving force in ensuring that Monarchs reign responsibly in response to the pandemic. He has also provided leadership to all initiatives under the Division of Administration and Finance, as well as a variety of campus-wide efforts. He will certainly be missed!

In order to secure a permanent replacement in this critical position, a national search has been launched. Through the work of a search committee, chaired by Provost Agho, and with assistance from WittKieffer, the recruitment process is officially underway. It is anticipated that applicant materials will be reviewed in early to mid-October followed by semi-finalists interviews. The schedule includes hosting finalists on campus from November 29, 2021 through December 1, 2021 with the goal of having the selected individual on-board in early 2022.

At the conclusion of the President's report, Rector Bradley requested that Murry Pitts represent the Board on the ODU Online Task Force.

## **REPORTS OF STANDING COMMITTEES**

### **ACADEMIC AND RESEARCH ADVANCEMENT COMMITTEE**

Ms. Jones, chair of the Academic and Research Advancement Committee, reported that the Committee convened in closed session to discuss an update on a personnel issue, a recommendation for the appointment of a faculty member with tenure and designation as the Robert M. Stanton chair of Real Estate and Economic Development, and a recommendation for an honorary degree. The following resolutions were brought forth as recommendations of the Academic and Research Advancement Committee and were unanimously approved by all Board members present and voting (*Ayes: Allmond, Bennett, Broermann, Corn, Dabney, Decker, Dickseski, Hill, Jones, Kemper, Pitts, Slaughter, Smith, Williams; Nays: None*).

### **INITIAL APPOINTMENT OF FACULTY MEMBER WITH TENURE AND DESIGNATION AS THE ROBERT M. STANTON CHAIR OF REAL ESTATE AND ECONOMIC DEVELOPMENT**

RESOLVED, that upon the recommendation of the Academic and Research Advancement Committee, the Board of Visitors approves the appointment of Dr. Simon Stevenson as Professor of Finance with the award of tenure and designation as the Robert M. Stanton Chair of Real Estate and Economic Development in the Department of Finance in the Strome College of Business, effective September 25, 2021.

Salary: \$200,000 for 10 months (includes \$64,749 for designation as Robert M. Stanton Endowed Chair of Real Estate and Economic Development)

Rank: Professor of Finance and Robert M. Stanton Endowed Chair of Real Estate and Economic Development

The following contains my recommendation for the initial appointment with tenure of Dr. Simon Stevenson as Professor, with the designation of Robert M. Stanton Chair of Real Estate and Economic Development, in the Department of Finance. Dr. Stevenson received a B.Sc. in Urban Estate Management from the Liverpool John Moores University in England, an M.Sc. in Investment Analysis from University of Stirling in Scotland, and a Ph.D. in Finance from University College Dublin in Ireland. Prior to ODU, he was a Research Fellow, Lecturer and Senior Lecturer at University College Dublin (1994-2005), Associate Professor and Professor of Finance at the City University of London (2005-2010), Professor of Real Estate Finance and Investment at University of Reading in England (2010-2016), and Jacobi Family Professor of Real Estate at the University of Washington since 2016, where he also served as Chair for the Runstad Department of Real Estate during 2016-2019.

The ODU *Teaching and Research Faculty Handbook* states, “The main purposes of tenure are to protect academic freedom and to enable the University to attract and retain a permanent faculty of distinction in order to accomplish its mission.” [p. 54]. The *Teaching and Research Faculty Handbook* policy on Initial Appointment of Teaching and Research Faculty states a request for initial appointment with tenure at the rank of professor must be “initiated by the chair and reviewed by all tenure review bodies.” The policy also says, “Normally, an initial appointment with tenure will be granted only to a faculty member who already has achieved a distinguished academic record and held a tenured position.” [p. 27].

Recommendations in support of tenure at the rank of professor for Dr. Stevenson were received from the departmental, college, and university promotion and tenure committees, as well as from the department chair and the college dean.

The Promotion and Tenure Committee for the Department of Finance (6-0), the Promotion and Tenure Committee for the Strome College of Business (4-1, with no minority opinion offered) and the University Promotion and Tenure Committee (5-0) unanimously recommend this appointment. The chair and dean recommend appointment with tenure. The Named Chair Selection Committee judged his credentials worthy of being appointed as the Robert M. Stanton Chair of Real Estate and Economic Development.

Based on my independent evaluation of the materials submitted and committee recommendations, it is my judgment that Dr. Simon Stevenson meets the standards for tenure at the rank of Professor and appointment as the Robert M. Stanton Chair of Real Estate and Economic Development in the Department of Finance at Old Dominion University.

-----

Committee members approved the consent agenda items including the appointment of 31 faculty, 35 administrative faculty, four emeritus/emerita faculty, and the Batten Endowed Chair of Counseling. The following resolutions were brought forth as recommendations of the Academic and Research Advancement Committee and were approved unanimously by all Board members present and voting (*Ayes: Allmond, Bennett, Broermann, Corn, Dabney, Decker, Dickeski, Hill, Jones, Kemper, Pitts, Slaughter, Smith, Williams; Nays: None*).

additions to the plan will require written documentation as to the need for such additions with final approval for the request being made by the President and Committee.

A copy of all approved revisions to the audit plan will be submitted to the President and the Audit and Compliance Committee.

### Audit Reports

At the conclusion of each audit, the department or activity audited will be provided an opportunity to respond in writing to the findings, conclusions, and recommendations of the University Audit Department. In addition, an exit conference will be held with the individual in charge of the department or activity under review. All findings, conclusions and recommendations will be discussed and any differences of opinion settled or so noted. A formal audit report will be prepared after the exit conference is held and draft report reviewed. This report will contain a summary of the function of the department or area, the objective of performing the audit, the audit methods used, detailed explanations of any issues noted and recommendations for improvements thereon. A section of the audit report will include the department's response to the recommendations made by the University Audit Department.

Audit reports will be discussed with the vice president responsible for the area under review prior to the issuance to the President. All final audit reports will be issued to the President, with copies to the Vice President of the area audited and the department head. Executive summaries of all final audit reports will be presented to the members of the Audit and Compliance Committee. Final Audit Reports are also shared with the Office of the State Inspector General as required. Further distribution will be at the discretion of the Chief Audit Executive.

The University Audit Department will conduct a follow-up review on issues noted within the final audit reports to determine whether recommendations have been considered and acted upon. A status of open audit issues will be provided to the Committee periodically.

The Chief Audit Executive should work to ensure that the University promptly notifies other state departments as required under ~~Section~~ §30-138 of the Code of Virginia.

The University Audit Department will perform sufficient tests to identify the weaknesses in financial and operating procedures, both automated and manual, which permitted the loss and evaluate the impact the weaknesses have with respect to other activities of the institution. In addition, the University Audit Department will recommend improvements to correct the weaknesses and incorporate appropriate tests in future audits to disclose the existence of similar weaknesses in other areas of the institution.

## Consulting Activities

The Chief Audit Executive will communicate to senior management and the Audit and Compliance Committee on the department's quality assurance and improvement program, including results of internal assessments (both ongoing and periodic) and external assessments at least once every five years by a qualif
